

SPANISH COURSES IN CANTABRIA

SANTANDER AND CANTABRIA

UNILANG IDIOMAS is a centre designed to fully integrate students into Spanish life through language programs and courses, accommodation with Spanish host families or hotels and an emphasis on involvement in sports and cultural activities.

UNILANG IDIOMAS is located in Santander, the peaceful nice and hospitable capital of the Cantabrian region, northern Spain. It is one of the most beautiful cities on the Spanish coast, today transformed into a modern city with a complete transport infrastructure, with an international airport flight to Paris, London, Manchester, Edinburgh, Birmingham, Dublin, Rome, Venice, Bologna, Vienna, Marrakesh or Brussels and ferry from England and Ireland. There are even land and air connections with Madrid, Bilbao and Barcelona. Cantabria is a region renowned for its impressive coastline and mountainous landscape, where numerous sports, leisure and cultural activities can be practised and the ideal setting for studying and recreation alike.

UNILANG IDIOMAS was founded in 1978. We have been working very hard since then to be able to offer our clients the best satisfaction and effectiveness on the programmes we provide them. We are members of the following associations: A.C.C.E.I. (*Asociación Cántabra de Centros de Enseñanza de Idiomas*), F.E.C.E.I. (*Federación Española de Centros de Enseñanza de Idiomas*), and A.C.A.D.E. (*Asociación de Centros y Academias de España*) that guarantee the quality of our services.

METHODOLOGY

UNILANG IDIOMAS is situated in the cultural center of Santander and houses the administrative office, classrooms and study rooms for student use. The centre is full equipped with computer access, wifi, video, and a library with language resources. We keep a friendly atmosphere and small personalized groups.

UNILANG IDIOMAS organize linguistic trips for groups and we also have different courses for individuals. Our teaching staff represent the fundamental core of our courses and the linguistic focus of the lessons is based on the communicative elements applied to practical situations, emphasizing oral comprehension and expression whilst not rejecting the other skills like grammar or written communication. All the study programs also include a compendium of topics about life, culture and the customs of our country and, at the end of the course, all the students receive a diploma certifying the attendance to the Spanish course.

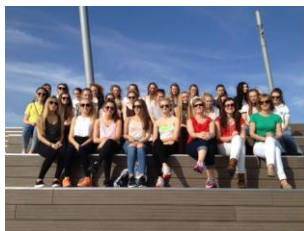

At the beginning of each course, our students would be required to take an assessment test to determine their level. The *Common European Framework of Reference for Languages* is followed so as to organize our groups and we prepare for official exams like D.E.L.E. and we are Exam Preparation Centre of SIELE.

ACCOMMODATION AND ACTIVITIES

Housing is arranged for the students by placing them in families carefully recruited by the program. Students are accommodated in individual or double rooms in private homes with carefully selected families. This offers students the chance to hear and speak the language and exposes them to a different life-style and customs, a source of contact with the culture and the language. If the student prefers, we can provide accommodation in hotels or arrange alternative types.

Some of the trips and excursions we organize are to: Centre Botín, Guggenheim Museum and Bilbao; Altamira or Puente Viesgo prehistorical caves; Picos de Europa National Park, where people can use the cable car in Fuente Dé; Cabárceno Nature and Wild Life Park; Santillana del Mar (a middle aged village that is an alive museum); boat trip along the Santander bay; the Oceanographic Museum; Soplaio cave (noted for the variety of rock formations, stalagmites and stalactites); city tour in Santander, etc.

About the leisure activities, we offer dance lessons (flamenco, funky and salsa); shopping; sports (football, basketball, swimming, golf, canoeing, etc); chocolate with churros; Spanish tapas; "Tuna serenade"; cooking lesson, etc.
